## QR Code Scavenger Hunt Guide

Welcome to Eventzee- Scavenger Hunts Made Easy! We pride ourselves on our easy-to-use process, but we still understand that there's a bit of a learning curve. So in order to make the most of your scavenger hunt experience we've crafted a quick guide to get you started.

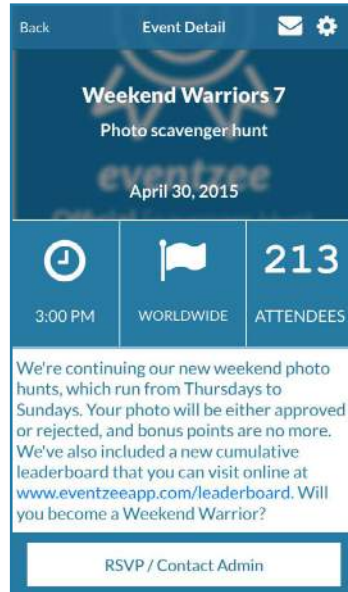

### 1. LET'S PLAY!

First, you need to join the hunt. Click the camera icon to scan the code.

### 2. CODED

Each event has a unique join QR code. Scan it and you'll join the hunt.

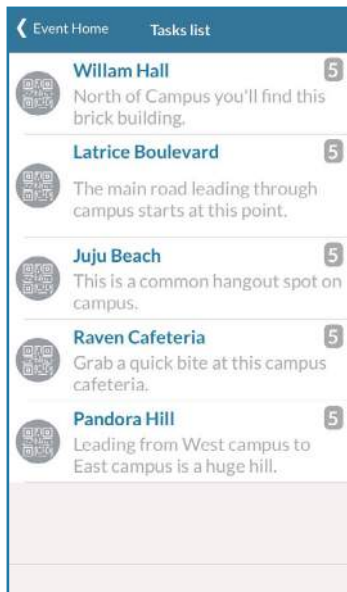

### 3. RSVP

After you scan the code, RSVP and the admin will let you into the hunt.

### 4. NAVIGATE

Once you're in the Event page you'll see icons for clues and the leaderboard.

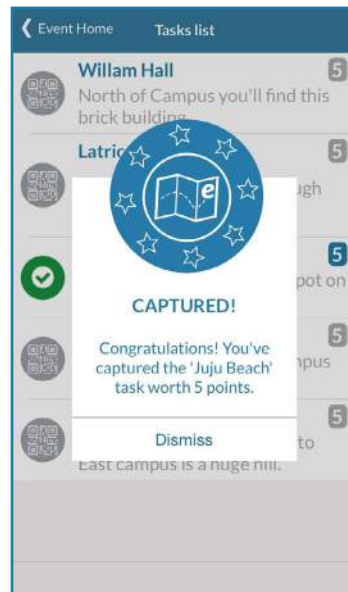

### 5. SUPER SLEUTH

Clue descriptions will direct you to the hidden location of the QR code.

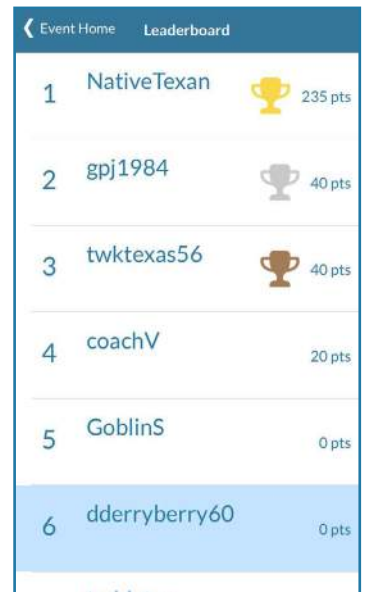

### 6. SCANNER

Find the code and just press the corresponding clue to scan it.

### 7. APPROVAL

Once you scan the code you'll automatically be awarded the points.

### 8. BE A LEADER

The more points you get the higher you'll rise on the leaderboard.

# QR FEATURES

QR hunts also feature a number of unique features. When an admin hosts a QR hunt they may choose to include both the Pop Quiz function as well as a location based GPS hunt.

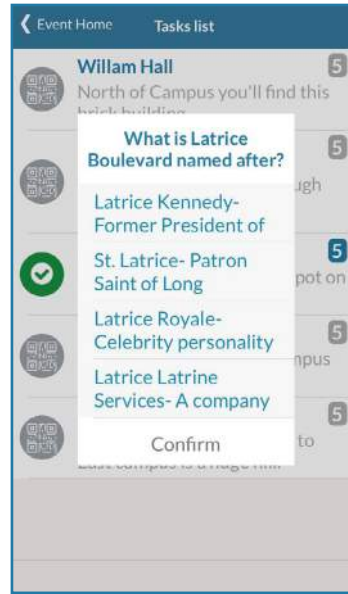

## POP QUIZ!

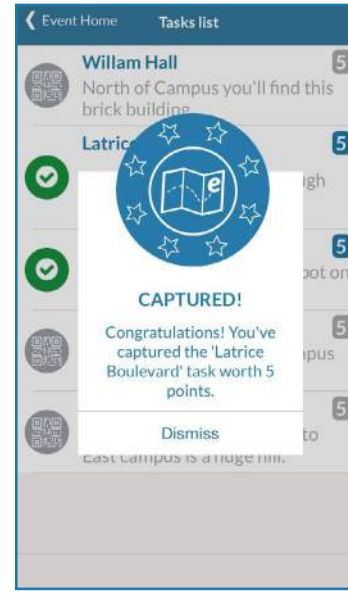

**1. SCANNING**  
You'll scan the code like normal, so once you find it just click the correct clue.

**2. QUIZ WHIZ**  
Upon scanning just click through to begin the Pop Quiz.

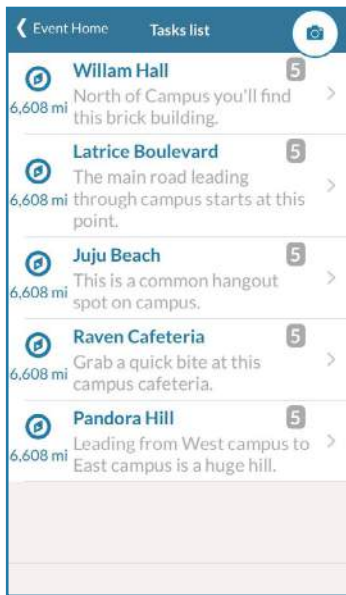

**3. GUESSTIMATE**  
Answer incorrectly and you'll still get another chance for less points though.

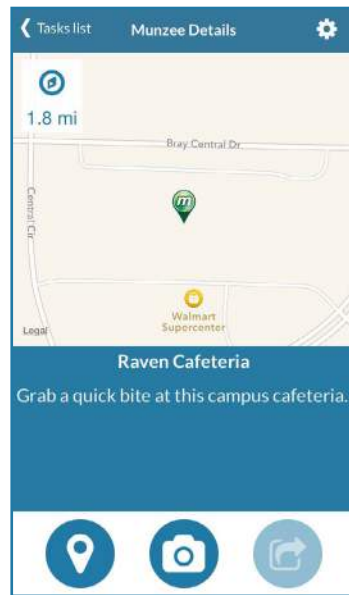

**4. A+ STUDENT**  
Answer correctly and you'll be awarded points based on the number of attempts.

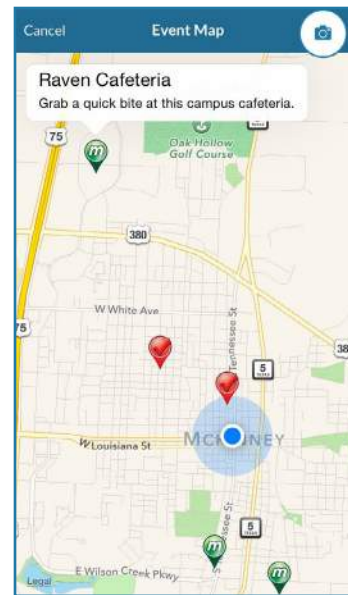

## GPS HUNT

**1. DIRECTION**  
The compass icon to the right will show distance from the clue's location.

**2. CARTOGRAPH**  
Click on the clue to see the GPS location on a map and help in your hunt.

**3. JOURNEY**  
You can also check the overall event map to see how far you are from other clues.

**4. CODED**  
Once you find the code in real life, just click to scan and automatically earn points.
